THE TRUST *for* PUBLIC LAND

CONSERVING LAND FOR PEOPLE

Working in partnership with Windrush Farm Therapeutic Equitation, Inc. (WFTE), the Essex County Greenbelt Association, the Commonwealth of Massachusetts, and the Towns of North Andover and Boxford, The Trust for Public Land is pleased to announce the permanent protection of the 195-acre Windrush Farm.

The farm and forest offer extensive trails for hiking, protect drinking water resources, and provide habitat for rare and endangered species. Your generous gift has ensured the conservation of this outstanding landscape and continuation of WFTE's equine therapies to more than 300 children and adults with disabilities. TPL and our partners sincerely thank you.
