**Who We Are:**

WFTE is a non-profit, working horse farm that has been **successfully helping children and adults with physical, emotional, and learning disabilities** since 1964.

Located on 200 acres of woods and fields in Boxford and North Andover Massachusetts, Windrush offers equine assisted activities founded on the principle **that all of us, disabled or not, are capable of more than we think.**

Our mission is to use the horse to expand the personal, emotional, and physical boundaries of all who ride and work with us.
