

Disadvantaged Youth Summer Program

WFTE, INC

This program is geared towards inner city disadvantaged youth at risk who would benefit from a riding experience.

The goals of this program are to teach respect for animals and humans, to improve our students' learning and leadership skills, to help them learn to problem solve and to work together, and to build their self esteem. We also strive to give these children a week of fun, physical activity.

Students will learn basic horsemanship skills through hands on experiences, working with horses on the ground and under saddle during two daily instructional lessons, and various barn chores.

Recommended for children ages 10-14.

Program runs in one week blocks for 8 weeks beginning the week of June 28th and ending the week of August 9th. Hours: 9:00-2:00 ~ M-F \$350/rider

Tuition is due in full by the first day of clinic. Please contact **Pat** in the office to make other payment arrangements. 978-682-7855

Program note: There is a 185 lb rider weight limit.
